

# The results are in!

## Learn from last year's International Roadcheck.

Don't want to be put out of service next year? The best way to be proactive is to learn from last season's stats. Here are the U.S. results from 2021's International Roadcheck according to the CVSA (08/03/2021).

During the 3-day Inspection period, over 40,000 commercial motor vehicle inspections were conducted.

# 6,710

commercial vehicles removed from roadways

# 2,080

drivers removed from roadways

# 16.5%

vehicle out of service rate

# 5.3%

driver out-of-service rate
